

DVR Stand alone

DN8048HF 48 CH Standalone DVR

SPECIFICATIONS

System Language	Multi languages:Chinese,English,Russian etc.
Input Devices	USB mouse,remote controller,front panel
Multiplex Operations	Mutiple-channel record,multiple-channel playback and network operation simultaneously
Video Compression	H.264
Video Standard	PAL/NTSC
Video Input	48-CH composite video input, BNC (1.0Vp-p, 75Ω)
Video Output	1-CH BNC (1.0Vp-p, 75Ω) composite video output,1-CH VGA output, 1-CH HDMI output,TV/VGA/HDMI video output at the same time
VGA/HDMI Resolution	1024×768、1280×1024、1280×720、1360×768、1440×9000、1920×1080
Live Viewing Control	1024×768、1280×1024、1280×720、1360×768、1440×9000、1920×1080 1/4/9/16/25/36 windows,zoom/hide/cover,color setting,TV adjust,auto sequence
Live Viewing Resolution	PAL:720×576/NTSC:720×480
Audio	16-CH audio input,1-CH audio output
Recording Mode	Manual recording,always recording,motion detection recording, sensor alarm recording and schedule recording
Playback Resolution	PAL 352×288 25f/s each channel/NTSC 352×240 30f/s each channel
Playback Control	Zoom,×2,×4,×6 play backward and fast forward speeds, step forward, play and pause
LED Indication Light	Power,hard disk,record,network and alarm
Alarm	Video loss,no hard disk,hard disk loss,hard disk full, motion detection and external sensor alarm
Network	DHCP,TCP/IP,DNS,DDNS,PPPOE,3G,NAT hole punching,netviewer, CMS,IE web and imac OS
Snapshot	Upload image to FTP server or email image,timing snapshot, sensor alarm snapshot,motion detection snapshot
Mobile	Blackberry,Symbian,Android,Iphone,Windows Mobile
PTZ	RS485,various PTZ control protocols
Hard Disk	SATA×6
Backup	USB device,removable hard disk,DVDRW and network backup
Power Supply	DC:12V
Dimension	48.3*43*17.55 CM
Enviroment	0℃ ~ +55℃
